The collage includes several screenshots: 1. A 'Tell us about yourself' form with fields for first name, last name, date of birth (mm/dd/yyyy), gender (Male/Female), and zip code. A red box highlights the 'Create online account' button, and a green box highlights the 'register now' button. 2. A smartphone displaying the Express Scripts mobile app with a 'Log In' screen showing a username field (chris_bell@mail.com) and a password field, with a 'Log In' button and a 'Register now' link. 3. A 'Manage family prescriptions' screen with a 'Help' icon. It contains a paragraph about managing prescriptions for family members, a table of family members (Spouse A, Adult A, Adult B, Spouse B, Adult C) with their birth dates, and a section for accepting terms of service with radio buttons for 'I accept' (circled in red) and 'I decline'. 4. An 'Email communication preferences' screen with a paragraph about email communications, a section for selecting household members to share information with (Spouse A, Adult A, Adult B, Spouse B, Adult C) with checkboxes, and a section for selecting email preferences (Yes/No) with radio buttons. A red box highlights the 'Please read important information' link. 5. A 'Please note' section at the bottom of the email preferences screen stating that email addresses are not shared with third parties and a link to the Privacy Policy.
