

As we, the SoNM Community, face the COVID-19 Pandemic, the Employee Benefits Bureau wants you to know we stand with you, beside you, and ready to help support you.

In times like this we hope it is a comfort to know we are working hard, along with our providers, and Erisa, our Third Party Administrator, to ensure the SoNM benefits you and your family may need to stay healthy, are running smoothly, with no interruptions, when you need them.

We've added many resources to our EAP Benefit page to help support everyone in your household in these trying times. Take a moment to explore those offerings.

We are still distributing our EBB Newsletter so that you can remain up-to-date with any updates, changes, or announcements having to do with your benefits.

In these unprecedented times of social isolation and telecommuting, it is important to know we're here making sure you have all the benefit tools you need to get through. We will get through this together.
