FSA 2021 Election Change

FSA Participants,

The 2020 federal Consolidated Appropriations Act now allows current FSA enrollees additional time, through the end of the current plan year (12/31/2021), to use their Health and Dependent Care FSA fund rollover from the 2020 plan year. This additional time applies to both the Medical FSA rollover and Dependent Care FSA rollover amounts.

If you are currently enrolled in FSA Health or Dependent Care for 2021 and have a carryover balance from 2020, you may wish to reconsider your 2021 election amounts. You can make changes to your 2021 elections by completing the Qualifying Event Change Form below; your deadline to complete and submit the Event Change Form is March 15th, 2021.

<https://www.mybenefitsnm.com/documents/HCDC-Change-Form-Fill-1.1.20.pdf>

Please review your current elections and your prior year rollover balances by logging into your FSA portal at: <https://benefitsbyet.lh1ondemand.com/> or you may download the Phone app: search for BenefitsByET on the Apple iOS or Android Google Play stores. You can utilize the portal to review active and pending claims that may affect your available balance.

Please contact Erisa at 505-244-6000 or FSA@easitpa.com with any questions/concerns you may have and we will be happy to assist.
