

It's Here!

Experience the Stay Well Health Center

We're proud to announce the opening of our new on-site health facility!

When you get sick, you want health care that's convenient and affordable. The new Stay Well Health Center is available to give eligible employees and their covered dependents (ages 2 and up) prompt, quality care at no cost. This provides the opportunity for patient-centered care in a comfortable and convenient environment to State of New Mexico employees and participating local public bodies.

The Stay Well Health Center focuses on prevention and wellness so that you can become healthier all-around. Together, we will make sure you have the proper tools and information to take care of you and your family. Come experience the Stay Well Health Center for yourself!
