Attention Employee: Failure to follow steps for payment may cause a delay AND may run the risk of losing benefits.

Attention HR: When an employee is on leave of any type the agency is responsible for the basic life insurance premium.

LEAVE WITHOUT PAY (LWOP): Employees on LWOP are responsible for paying 100% of the gross premium of all elected benefit coverages in force. Premium payment is due by the Friday following the end of the pay period.

Note: When an employee is reporting no time at all they are responsible for both portions of premiums.

FAMILY MEDICAL LEAVE (FML): Exceptions to the above is if an employee is on LWOP and on FML. The employee is responsible for paying **employee share** of the gross premium of all elected health benefit coverages in force. Employees are given a 30 day grace period from the end of each pay period to make payment. Failure to submit payment by the due date will result in a loss of coverage. Certain situations allow re-enrollment. Please review the “Self-Pay Premium Situations” Section in the Risk Management Administrative Guide found at www.mybenefitsnm.com – Forms, Guidelines, and Policies.

DISABILITY: This includes employees receiving Disability benefits while on a LWOP status. Employees on Short-Term Disability must continue to pay their disability premium to be eligible for disability benefits. If keeping other benefits, employee is required to pay whatever premium is due. Once an employee has been approved and is receiving a Long-Term benefit, disability premiums are waived, but benefit premium payments must continue to be paid.
