Important Questions	Answers	Why This Matters:
What is the overall deductible ?	Tier I: \$350 Single / \$700 Two-person / \$1,050 Family Tier II: \$500 Single / \$1,000 Two-person / \$1,500 Family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible . Deductible amounts cross-accumulate between Tier I, Tier II.
Are there services covered before you meet your deductible ?	Yes. Preventive care is covered before you meet your deductible .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive care without cost sharing and before you meet your deductible . See a list of covered preventive services at www.healthcare.gov/coverage/preventive-care-benefits .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	Tier I: \$3,750 Single / \$7,500 Two-person / \$11,250 Family Tier II: \$4,250 Single / \$8,500 Two-person / \$12,750 Family	The out of pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , the out of pocket limit can be satisfied by any combination of the family members. No one member can contribute more than the stated member amount. Once a member meets their individual amount their out of pocket limit is considered met. Out of pocket limit amounts cross-accumulate between Tier I, Tier II. Out of pocket maximum includes pharmacy copayments and coinsurance paid under CVS Caremark.
What is not included in the out-of-pocket limit ?	Premiums, balance billing charges, health care this plan doesn't cover, and penalty amounts.	Even though you pay these expenses, they don't count toward the out of pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.phs.org or call 1-888-275-7737 for a list of participating providers.	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out of network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing).
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral.

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
