

Diabetes Resources

Presbyterian Has Resources Available for Commercial Members with Diabetes

Presbyterian has resources available for Members with Diabetes.

Your Healthcare Team

A healthcare team provides your medical care. The care you receive, from a “doctor” or “healthcare provider” typically refers to the care you receive from your healthcare team. If you do not have a healthcare team you can select one at <https://www.phs.org/Pages/find-a-doctor.aspx>.

Wellness at Work

Wellness at Work is an online portal with webinars, health information, and a personal health assessment! To access the portal, visit www.phs.org/myPres and click on the wellness at work tile.

PresRN

PresRN advice line is a 24/7 service available to Members at no cost. PresRN gives you direct access to a registered Presbyterian nurse to have your healthcare questions and concerns answered. Call PresRN at (505) 923-5570 or 1-866-221-9679.

Video Visits

Video Visits give you instant access to healthcare providers without an appointment wherever you are. To sign up for a video visit, go to www.phs.org/myPRES and click on the video visits tile.

Healthy Solutions

Healthy Solutions program offers health coaching for asthma, coronary artery disease, diabetes, and hypertension. The Presbyterian Healthy Solutions department can be reached at 1-800-841-9705.

Care Coordination

Presbyterian’s care coordinators work with you to create a plan of care to meet your needs. You can reach the Presbyterian care coordination team at (505) 923-8858 or 1-866-672-1242.

Additional Resources

Presbyterian Customer Service Center (PCSC)

The Presbyterian Customer Service Center (PCSC) can answer questions about your health plan, help you choose a healthcare team, and make appointments.

You can reach PCSC at (505) 923-5678 or 1-800-356-2219.

Preventive Health Resources

Includes information on preventive screenings with no charge for Members. To access preventive health resources by visit [phs.org](http://www.phs.org) and type “preventive health resources” in the search box.
