

STAY WELL HEALTH CENTER

**Working Hard To
Improve Our Patient's
Health Care Experience**

The SoNM STAY WELL HEALTH CENTER maintains hours that are most convenient for our members. Opening for their first appointment at 7:00 AM, allows members to take care of their health before their work day begins, and staying open until 6:00 PM, to allow members to finish up with their important work day, then receive any needed medical care before going home. The SWHC makes it easier, and more convenient to receive the health care you need.

***Patients seen by appointment only**
