What is evidence of insurability (EOI)?

Also referred to as medical underwriting, EOI is part of the life insurance application process. You may need to complete an EOI form to determine if you are insurable (a good risk).

When providing EOI, you answer a few simple health questions and provide information on your gender, height and weight, and physical condition. A medical underwriter reviews the application to determine if you meet our acceptance standards for the amount of insurance requested.

Is additional medical information ever required?

Many group applications can be processed using only the health information provided on the EOI form.

However, for some, a paramedical exam may be required to complete the application process. Exams are free of charge and can be done at your home.

Paying your premium

Your premiums for Additional Employee Life, Spouse/Domestic Partner Life and Child Life will be billed directly to you by Securian.

Submitting premium via payroll deduction is not an option. Instead, your payment can be submitted monthly from your checking account by EFT or a bill will be sent to your home address.

To enroll in EFT, complete the form available at **[LifeBenefits.com/plandesign/SONM](https://www.lifebenefits.com/plandesign/SONM)** and submit it to Securian during open enrollment.

To Consider:

- If you enroll for coverage, but do not enroll in EFT you will automatically receive paper invoices
- The EFT option cannot be activated unless the account has a zero balance
- If you enrolled in EFT last year, it will continue into 2018
- Each paper bill has a \$2.00 administrative fee
- Paper billing does not allow for monthly billing. Paper invoices can be sent quarterly and semi- annually

Additional features

Beyond paying a benefit in the event of your death, your group life insurance program has other important features:

- **Accidental Death and Dismemberment (AD&D)** – Provides beneficiaries with additional financial protection if an insured's death or dismemberment is due to a covered accident, whether it occurs at work or elsewhere.
- **Take your coverage with you** – If you are no longer eligible for coverage as an active employee, you may port your group life insurance coverage (ported coverage ends at age 70) or you may convert your life coverage to an individual life insurance policy. Premiums may be higher than those paid by active employees.
- **Early benefit payments if diagnosed as terminally ill** – If an insured person becomes terminally ill with a life expectancy of 12 months or less, he/she may request early payment of up to 100 percent of the life insurance amount.
- **No premiums if you become disabled** – If you become totally disabled according to the terms of your certificate, life insurance premiums may be waived.
